Discovery™ Stereo Binaural Headset with To Go™ Plug

THE SIGHTS & SOUNDS OF EDUCATION

Model DS-8VT

This professional-grade headset is designed for heavy-duty use inside and out of K-12 and college classrooms and labs. Discovery headsets are ideal for reading, science, math and language learning uses. With its To Go plug, the DS-8VT is compatible with iOS and Android-based smartphones & tablets for mobile learning applications.

Its built-in noise cancelling electret microphone is designed for use with voice recognition programs. Added comfort by extra deep (noise cancelling) earcup cavities with a convenient volume control located on the right. The flexible comfort sling contours to the user's head for better weight distribution and balance.

The 3' cord on the Discovery withstands 250,000 flexes. Replaceable, easy-to-clean vinyl ear cushions are hypo-allergenic, no latex.

1. Rugged plastic headstrap with recessed wiring for safety
2. Fully adjustable headband & comfort sling fits all sizes
3. Noise-reducing earcups decrease external ambient noise
4. 3' straight cord with 3.5mm plug is tailored for use with smartphones, tablets and other mobile devices
5. Noise cancelling electret mic reduces accidental recording of unintended sounds on hinged boom
6. Volume control conveniently located on ear cup
7. Replaceable hypo-allergenic (no latex) ear cushions
